CONDUCT PLEDGE for girl.talk@dgc2019 on 9 and 10 August

- I, _____, recognise that there are risks inherent in attending girl.talk@dgc, because it involves activities beyond a normal school programme.
- I fully understand and agree that it is my responsibility to follow the code of conduct of my school _____ whilst at girl.talk. I also confirm that I will take all reasonable precautions for my own safety and the safety of others attending girl.talk.
- I am aware that the rules of DGC and College House apply to me while I attend girl.talk. Any inappropriate conduct whilst attending girl.talk or staying in College House, may result in the termination of the arrangements and I could be sent home.

PARENTS AGREEMENT:

- I hereby give consent for my daughter, _____, to participate in girl.talk@dgc2019 provided by Durban Girls' College (DGC). I recognise that there are risks inherent in this excursion, because it involves activities beyond the normal school programme. I acknowledge that Durban Girls' College cannot guarantee absolute safety. I also understand that my child is, in part, responsible for her own safety and that she must act prudently and carefully. I know of no physical, medical, emotional or psychological reason why my child is not capable of participating in girl.talk. In the case of a **medical emergency** while my daughter is at girl.talk, I authorise Durban Girls' College's Principal, or the leaders of the DGC's sanctioned activities, to authorise medical treatment for my daughter.
- In the event that my daughter does not comply with the Durban Girls' College Code of Conduct and/or is involved in any behaviour which contravenes the expectations and/or requirements of DGC, at DGC's sole discretion, it may make arrangements to return my daughter directly home to me. In this regard, I agree to reimburse DGC or provide payment directly for relevant travel and ancillary expenses.
- Inappropriate conduct includes, but is not limited to, drinking, smoking, using or being in possession of narcotics and unacceptable social behaviour.
